

As set forth under New York State Environmental Conservation Law, Section 15-1525

Gary Caparelli, Inc.
Registration# NYRD01849

is hereby registered with

the Commissioner of the State Department of Environmental Conservation

to drill or repair water wells in the State of New York only when supervised on-site by an individual who is exam certified in the respective water well activity. In accordance with the law and prior to commencement of drilling of any water well or wells, registrant shall file a preliminary notice with the Department.

Registrant is required, upon completion of the drilling of any well(s), to file a completion report with the Department giving the log of the well, the size and depth thereof, the capacity of the pump or pumps attached or to be attached thereto, and such other information pertaining to the withdrawal of water and operation of completed well(s) as the Department by its rules and regulations may require. The registration number granted by this certificate must be displayed on the well drilling machinery of this registrant. All water well drilling shall be performed in accordance with standards promulgated by the Commissioner of Health as Appendix 5-B under Public Health Law. Notice is hereby given that all activities authorized by this certificate are subject to the provisions of Article 36-A of the New York State General Business Law.
